IAP Academic Notes - Summer

International Summer School website: <http://summer.yonsei.ac.kr/>

Courses: To see a list of courses offered on the summer program, please go here: http://summer.yonsei.ac.kr/s2_2.asp. It is important to note that you might not be able to enroll in a specific class due to high registration demand. You should be prepared with a list of classes that you are interested in taking in case your first choice is full by time of your registration.

Registration

IAP will register you for a special “Study Abroad Course” for the term(s) you will be studying abroad; therefore, it is not necessary for you to register on the UW-Madison campus. This is a temporary registration, which will be converted into graded UW-Madison credit after the completion of your program.

Equivalents and Course Equivalent Request (CER)

Each course you take abroad must be assigned a UW-Madison “equivalent” and the grade you receive in the course also transfers back to be recorded on your UW-Madison transcript. In order to establish UW-Madison course equivalents for your study abroad courses, you will submit a Course Equivalent Request (CER) through your My Study Abroad account. The deadline to submit the CER is by the end of the fourth week of classes (not including pre-session terms). Detailed information on the UW course equivalent process that you will use through your My Study Abroad account is available in the IAP Study Abroad Handbook and in your My Study Abroad account under the academics tab.

NOTE: Both courses you take abroad must be awarded an equivalent course and posted to your UW-Madison transcript at the end of your time abroad. You will receive the letter grade and credit number along with the UW equivalent course.

Limits and Load

You are required to take a minimum of 6 credits (typically 2 courses) while on the summer program.

Pass/Fail/Drop/Audit

Please refer to the IAP Study Abroad Handbook for Academic Policies. A Pass/Fail form as well as the due date for Pass/Fail submission can be found in the Academics tab of your My Study Abroad account.

Credits

One course is usually three credits with three classroom hours per week. Credits will be converted on a one-to-one basis. For example, a 3-credit course at Yonsei will receive 3 credits at UW-Madison.
