Description of Project:	

To the Faculty Member: This student is proposing a directed study to be completed while on a UW-Madison study abroad program. By signing this form, you agree to supervise the student on the project as outlined and provide a grade to IAP. Please inform IAP of the grade within two weeks of the program end date listed above.

Course Registration: The student does not enroll for the assigned course for the directed study. Instead they will be enrolled in a study abroad placeholder. Once all the grades are received the student's record will be updated. At the end of the study abroad program, after reviewing this student's work, please email the Enrollment Specialist Advisor above of the student's grade.
